EDI - Mercedes + Super Dispatch

World Class Trucking <info@worldclass-trucking.com>

Tue, Oct 22, 2024 at 12:48 PM

To: Ross Quinn <ross@superdispatch.com>

Hi Ross,

We're planning to transport vehicles for Mercedes. We received an email requesting the information below.

Thank you

Hello Team,

For carrier onboarding, we have to set up the EDI connectivity to transfer the files.

Could you please provide us the below information to setup the EDI connectivity.

Server details

Host name:

Port:

Username:

password:

File Directories for Quality

Quality to carrier (push) folder:

Quality from carrier (pull) folder:

File Directories for Production

Prod to carrier (push) folder:

Prod from carrier (pull) folder:

Best Regards,
